#### 10/39 **Opening Minute**

We welcome each other to YFGM in Liverpool – we also welcome Adrian Nelson from Illinois Yearly Meeting. We look forward to spending the weekend together.

#### 10/40 **YFGM event**

Helen Percy and Majk Stokes have presented us with their plans for YFGM New Years event to be held at Bamford from the 30th December 2010 to the 3rd January 2011. It is hoped that a longer gathering will help to build a strong community within YFGM.

We are happy to adopt and support this as an official YFGM events, and ask Majk and Helen to work with the events co-ordinator to complete the relevant formalities, also that the breakdown of costs be attached to these minutes.

Cost breakdown:

Bamford Accomodation: £15 pppn  
Food : £12 pp (whole event)  
Contingency : £5 pp

#### **10/41 YFGM 100th Birthday ceilidh**

Siobhan Haire has spoken to us about the ongoing plans for the YFGM 100th birthday ceilidh, to be held in August at Yearly Meeting Gathering in Canterbury, as part of the last night celebrations, in support of Firefly, our appeal.

We support the plans for the ceilidh, and authorise Siobhan and the appeal group to use YFGMs money to:

- Book a ceilidh band (no more than £1000)
- Cost and buy refreshments (between £400 and £800 depending on the predicted numbers much closer to the time)
- Plan and organise decorations suitable to the venue (£200)
- To report back to us on progress in February

We feel that this would be an excellent way of strengthening our place in the Yearly Meeting Community and we thank Siobhan for all her hard work. We ask Siobhan to encourage and enable as many Young Friends as possible to participate, hopefully including those not participating in YMG.

#### **10/42 Small Events Procedure**

Sam Barnett-Cormack has presented us with a procedure which can be followed for the approval of small social events between YFGM main business meetings on behalf of our events co-ordinator, Jenn Brett. We approve this procedure, as set out in the document attached, and thank Jenn for her work on this. We will review the procedure for YFGM October 2012.

#### **10/43 Transitional Group**

Siobhan Haire and Lailah Peel have presented us with a proposal for making YFGM the nominating body for Transitional Group Co-ordinator. We agree that YFGM should become the nominating body for the Transitional Group, and ask that:

- The nomination last for a period of one year
- The system be reviewed after 2 years from the first appointment in co (in October 2012) in conjunction with Transitional Group
- We encourage the person nominated to make links with a committee or position for example outreach/events.
- The person nominated be given trustee support

We feel that this proposal opens up opportunities for us to share our expertise and resources. We encourage YFGM to recognise Transitional Group's independence and ask nominations committee to work with the out-going Transitional Group co-ordinator and current members of the group to discern the right name.

#### **10/44 Testimonies Event**

Sam Barnett-Cormack has spoken to us about the testimonies event and his further research on this subject. We re-affirm our support for this exploration already minuted in 10/26 and support a more detailed exploration stage – for example on email and through a Facebook group discussion, and look forward to hearing from Sam at whatever point is most appropriate.

#### **10/45 Reports**

This weekend we have heard reports from:

Katharine McIntosh about the Quaker Council for Church and Interfaith Relations

Nicholas Rendle about the Leavener's Management Group

The Planning weekend report from Beth Howard and Hannah Brock

Feedback from YF(GM) Free 2 from Sophie Loewehndahl, Bryony Elias, Cait Gould, Tom Rowlands, Rajit Gholap and Chris Wood.

We thank these Friends for their report and for their work for YFGM.

#### **10/46 Volunteers for Oxford YFGM**

We have had the following volunteers for roles in the lead-up to Oxford YFGM in February 2011:

Pan transport from Liverpool to Birmingham – Hugh Williams

Catering at Oxford: Cait Gould and Peter Doubtfire. We hope to find further support for catering from local Young Friends.

#### **10/47 Convenor of Overseers – role change**

We agree to split the role of Convenor of Overseers into the role of Overseers Trustee and Convenor of Overseers. This is a positive arrangement to suit our current needs and will be reviewed for Planning Weekend in January 2012.

#### **10/48 Convenor of Overseers – document changes**

We ask finance committee to amend the financial policy so that the words "Convenor of Overseers" are changed to "Overseers Trustee" as appropriate, and bring it back to YFGM if necessary.

### 10/49 **Nominations Minute**

We appoint those named to their posts for the periods of time stated, and released those named, thanking them for their work on our behalf.

### **10/52 Clerk's Offering**

We came together this weekend in Liverpool to a warm place of friendship, community and support. Our weekend has been joyous and full of good humour – from Eastender's zip-zap-boing to multi-coloured play-dog sculptures, games, conkers and pumpkins. We have relished our camaraderie, particularly in our cabaret on Saturday night and in our Special Interest Groups, carving pumpkins, making play-doh, discussing FWCC's global change consultation and walking around Liverpool with an unexpected detour to the pub.

Our thoughts this weekend have been with the political situation in Britain, particularly in relation to financial acts and how they will affect us. Although many of us have brought troubles and sadnesses to YFGM, being among Friends centred us, and reminded us of what is important. We wish we could bring this sense of loving community back to our homes and meetings.

We welcomed Rhiannon Beck to lead us in a "Naked Voice" workshop, in which many found the contrast of sound and silence rewarding, and Zia Choudhury and Michael Wolfe shared their experience of interfaith work in Liverpool, and reminded us of the power of listening to strangers until along the way they become comrades and friends.

This YFGM we say goodbye to two of our Trustees – Tom Rowlands and Hugh Williams. Both have contributed immensely to the planning and execution of many YFGMs, and their wit and wisdom will be missed. The Trustees won't know what to do without Tom, as he has been serving for longer than most of us can remember, and Hugh's practical attitude to the problems we regularly face, as well as his stylish compering of many entertainments will be looked back upon fondly. In addition, both have been founding members of the YFGM cheese appreciation group, and we hope that they will continue to enrich our lives in this way at future YFGMs. Thanks you both for making our gatherings so full of joy.

Our Quaker faith is extremely valuable to us. We sit here together in stillness and touch something powerful. Many of us have brought tears to this YFGM, and together we hold each other in silent waiting and support. We go forward now with a sense of our loving companionship, looking forward to coming together again in Oxford, in February 2011.
