* A meeting for worship usually lasts for an hour. In Quaker worship there are no ministers or creeds. We first gather together in silence to quiet our minds – we don't have set hymns, prayers or sermons

** Find your Small Group according to the color on your badges. It will be your families for the weekend, and you should take care of each other! If there are any problems then first port of call is your SG Coordinator, who can then come and see an overseer if necessary. Or you can still come and speak to an overseer, but try to look out for each other in your family first! There will be a couple of times when we will ask you to check in with your Small Group each day, including doing kitchen and cleaning duties in your groups.

*** A small workshop
