8. The ability to participate in YFGM events and in particular to take part in general meetings shall not be restricted on the basis of membership.

 - i. the member has been given at least twenty one days' notice in writing of the meeting of the trustees at which the matter will be discussed and the reasons why it is to be discussed;
 - ii. the member or, at the option of the member, the member's representative (who need not be a member of the charity) has been allowed to make representations to the meeting of trustees.

4. The trustees must call a special general meeting if requested to do so in writing by at least thirty members or one tenth of the membership, whichever is the greater. The request must state the nature of the business that is to be discussed. If the trustees fail to hold the meeting within twenty-eight days of the request, the members may proceed to call a special general meeting but in doing so they must comply with the provisions of this constitution.
5. The power to prevent, on reasonable grounds, any person including a member from attending a general meeting is given to the Trustees, provided that:
 - a. Any such exclusion shall be minuted by Trustees before coming into effect;
 - b. The person excluded shall be notified as soon as reasonably possible;
 - c. Any such exclusion may be subject to an appeal which:

 - iv. where the outcome of the appeal shall be communicated in writing to the Trustees and the person affected as soon as reasonably possible after it has been considered

- d. Any such exclusion shall be in effect until it is lifted by a decision of the Trustees or overturned by an appeal

9. Notice

1. The minimum period of notice required to hold any general meeting of the charity is fourteen clear days from the date on which the notice is deemed to have been given.
2. A general meeting may be called by shorter notice, if it is so agreed by all the members entitled to attend.
3. The notice must specify the date, time and place of the meeting and the general nature of the business to be transacted. The notice must be given to all the members and to the trustees.

10. Quorum

the meeting shall be adjourned to such time and place as the trustees shall determine. If a meeting is adjourned for more than seven days, at least seven clear days' notice shall be given of the re-convened meeting stating the date, time and place of the meeting.
 - c. The trustees must re-convene the meeting within six months. Where a quorate general meeting otherwise takes place before the date and time of the re-convened meeting, it shall have the power to change the date, time and place of the re-convened meeting as it sees fit, within six months of the original date.
 - d. If no quorum is present at the re-convened meeting within fifteen minutes of the time specified for the start of the meeting the members present at that time shall constitute the quorum for that meeting.

11. Conduct of general meetings

1. The charity shall conduct its business according to the principles and practices of Britain Yearly Meeting of the Religious Society of Friends.
2. In particular, the two clerks shall prepare a minute and read it to the business meeting for approval. The approved minute shall record the feeling of the meeting. If either or both of the clerks are not present, a substitute or substitutes may be appointed by the present members for the duration of that meeting.
3. The members present at a meeting may resolve that the meeting shall be adjourned.
 - a. The people who are clerking the meeting must decide the date, time and place at which meeting is to be re-convened unless those details are specified in the resolution.
 - b. No business shall be conducted at an adjourned meeting unless it could properly have been conducted at the meeting had the adjournment not taken place.
 - c. If a meeting is adjourned by a resolution of the members for more than seven days, at least seven clear days' notice shall be given of the re-convened meeting stating the date, time and place of the meeting.

12. Trustees

1. The charity and its property shall be managed and administered in accordance with the discerned decisions of the charity in general meeting by a committee of trustees appointed in accordance with this constitution. The members of this committee shall be the trustees of the Charity and in this constitution are together called 'the trustees'.
2. A member appointed to any of the following roles shall be a trustee of the Charity:
 - a. Convenor of Trustees,
 - b. Co-clerk,
 - c. Finance Trustee.
 - d. Management Trustee
 - e. Elder Trustee
 - f. Logistics Trustee
 - g. Pastoral Trustee
 - h. Communications Trustee
3. A trustee must be a member of the charity.
4. No one may be appointed a trustee if they would be disqualified from acting under the provisions of clause 20.
5. The number of trustees shall be not less than three but (unless otherwise determined by a resolution of the charity in general meeting) shall not exceed twelve.
6. The first trustees shall be those persons appointed as trustees at the meeting at which this constitution is adopted.
7. A trustee may not appoint anyone to act on their behalf at meetings of the trustees.

13. Appointment of trustees and other roles

1. The charity in general meeting shall make appointments to, and release people from, trustee roles and other roles in accordance with the principles and practices of the Religious Society of Friends.
2. Appointments to and releases from roles shall be made by minute of the General Meeting. A minute which records an appointment should include, as well as the role and the name of the person appointed, a date at which the person is expected to be released from the role.
3. A list of roles and committees which have been approved by the General Meeting shall be kept and appended to this constitution as Appendix 1, which shall include details of their terms of reference, manner of nomination, and other relevant information.
 - a. Where there is a need for internal roles within committees, appointments to these roles may be made by those committees. A list of such roles shall be included in Appendix 1 and appointments to these roles should be recorded as Minutes of Record by the General Meeting.
4. The charity in general meeting shall appoint a Nominations Committee. The Nominations Committee shall be responsible for bringing forward nominations to appointments due to be made by the General Meeting. The members at a general meeting need not accept the nomination made by the Nominations Committee, but may make any appointment they deem fit.
 - a. In the case of the Elder Trustee, Logistics Trustee, and Pastoral Trustee, the Nominations Committee shall make a nomination on the recommendation of the Eldership, Logistics, or Pastoral committee respectively.
 - b. Nominations Committee shall not bring forward names for appointments to itself, but may, with the approval of members at a business meeting, co-opt for the duration of that meeting.
 - c. The nomination of members to be appointed to Nominations Committee shall instead take place during a business meeting.

5. Each of the trustees shall be appointed for a specified period not to exceed three years and six months, which shall conclude at a general meeting, and shall not be eligible for re-appointment to the same role, but shall be eligible for appointment to a different trustee role.
6. No-one may take up a role as a trustee unless the general meeting has been provided with written notice from that person indicating their willingness to be appointed.
7. An appointment to a role will end either when the General Meeting minutes their release from the role, or three years and six months from the date of appointment, whichever is the earlier. The General Meeting may choose to release somebody from a role either:
 - a. When they have completed a term of service
 - b. When they have requested early release from a role by writing to the Nominations Committee or Clerk; or
 - c. Where it is necessary to end an appointment early for whatever reason (see QF&P 3.25)
8. A casual vacancy in any role may be filled by co-option provided that:
 - a. A proposal to make a co-option must be approved by a minute of the trustees
 - b. The person or persons to be co-opted shall be chosen by the committee on which the vacancy has arisen or by the Nominations Committee
 - c. A co-option shall normally be for the duration of a single general meeting, including where relevant attending any planning event for that general meeting
 - d. For the duration of a co-option, it shall be as if the co-optee had been appointed to the role, including but not limited to the applicability of safeguarding and data protection policies, and the ability to claim expenses.

14. Minutes

The trustees must keep minutes of all:

1. appointments of trustees made;
2. proceedings at meetings of the charity;
3. meetings of the trustees and committees of trustees including:
 - a. the names of the trustees present at the meeting;
 - b. the decisions made at the meetings; and
 - c. where appropriate the reasons for the decisions.

15. Accounts, Annual Report, Annual Return

1. The trustees must comply with their obligations under the Charities Act 2011 with regard to:
 - a. the keeping of accounting records for the charity;
 - b. the preparation of annual statements of account for the charity;
 - c. the transmission of the statements of account to the Commission;
 - d. the preparation of an Annual Report and its transmission to the Commission;
 - e. the preparation of an Annual Return and its transmission to the Commission.
2. Accounts must be prepared in accordance with the provisions of any Statement of Recommended Practice issued by the Commission, unless the trustees are required to prepare accounts in accordance with the provisions of such a Statement prepared by another body.
3. The Accounts must be approved by the charity in general meeting. The trustees will present their Annual Report and Annual Return to the general meeting.

16. Policies

1. The charity as a general meeting may from time to time make policies for the conduct of the business of the charity.
2. Policies may regulate the following matters but are not restricted to them:

- a. the admission of members of the charity (including the admission of organisations to membership) and the rights and privileges of such members, and the entrance fees, subscriptions and other fees or payments to be made by members;
 - b. the conduct of members of the charity in relation to one another, and to the charity's employees and volunteers;
 - c. the setting aside of the whole or any part or parts of the charity's premises at any particular time or times or for any particular purpose or purposes;
 - d. the procedure at general meeting and meetings of the trustees in so far as such procedure is not regulated by this constitution;
 - e. the keeping and authenticating of records. (If regulations made under this clause permit records of the charity to be kept in electronic form and requires a trustee to sign the record, the regulations must specify a method of recording the signature that enables it to be properly authenticated.)
 - f. generally, all such matters as are commonly the subject matter of the rules of an unincorporated association.
3. When a new policy is prepared by Trustees, or if it is proposed that a policy is amended (whether the proposal comes from Trustees or other members), this will be introduced for threshing at the next planning weekend. A new policy or amendment will not usually come into effect until and unless it has been adopted by the general meeting.
4. Where change to a policy has to be made swiftly, a policy may be adopted, altered or added to by minute of trustees (this might be due to, for example, legislative developments in charity law or data protection law; to correct an identified error; or other justifiable imperatives). In such cases:
- a. The policy as adopted or amended will be in effect provisionally, and shall be brought to threshing at the next planning weekend.
 - b. Planning weekend may choose to send it to the general meeting for consideration; to hold it over for a future general meeting; or to determine not to send it to the general meeting, for example because the change is too minor or provisional to warrant time in a business session. If the policy is sent to the general meeting or held over for a future general meeting, it remains provisionally in effect until it is considered by the general meeting. If planning weekend chooses not to send the policy to the general meeting, the change will become lasting, and Trustees will report on it during the next general meeting.
 - c. If a policy change is considered by the general meeting in a business session but not adopted, it lapses at the end of that general meeting.
 - d. Trustees should minute the reason for the requirement that they implement the policy prior to seeking the agreement of the General Meeting.
 - e. If a policy needs to be changed as part of the Trustees' response to some urgent matter which has a substantial effect on the charity or its future, Trustees should follow the guidance laid out in clause 19.4.c concerning urgent and emergency situations.
5. The charity in general meeting has the power to adopt, alter, add to or repeal any policy; and may if it sees fit choose to direct the trustees to or not to adopt or amend any given policy until the next general meeting.
6. A list of all policies so adopted by the General Meeting will be appended to this constitution as Appendix 2.
7. The trustees must adopt such means as they think sufficient to bring the policies to the notice of members of the charity.

8. The policies shall be binding on all members of the charity. No policy shall be inconsistent with, or shall affect or repeal anything contained in, this constitution.

16A. Statements on behalf of Young Friends General Meeting

1. In accordance with the practice of the Religious Society of Friends in Britain, if a formal statement is required on behalf of Young Friends General Meeting, this is best and most appropriately prepared as a discerned minute of the General Meeting, recorded by the clerks. Such minutes can be referenced as the view of the General Meeting.
 2. The clerks have responsibility to manage requests for statements between general meetings. The clerks may make statements on behalf of YFGM in line with the discerned positions of the General Meeting. In doing so they should exercise judgement as to who should be properly consulted in response to any such need or request, and consider whether the matter can wait until a General Meeting can be convened, or if previous discerned minutes are relevant in responding to the query at hand.
 3. It is understood that general factual statements about the operations of YFGM, how it operates, where and when it will meet, its objectives, material for fundraising, outreach, policies, and so on may be prepared by the role holders of YFGM in line with the scope of their responsibilities, and do not constitute statements of the General Meeting itself.
 4. The views expressed in The Young Quaker and other media related to and/or funded by YFGM are (unless stated otherwise by clerks) understood to be the views of those individuals and not the view of the General Meeting.
-

PART 3 - Trustees

17. Application of income and property

1. The income and property of the charity shall be applied solely towards the promotion of the objects.
 - a. A charity trustee is entitled to be reimbursed from the property of the charity or may pay out of such property reasonable expenses properly incurred when acting on behalf of the charity or when acting in their role as trustee.
 - b. A charity trustee may benefit from trustee indemnity insurance cover purchased at the charity's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
2. None of the income or property of the charity may be paid or transferred directly or indirectly by way of dividend bonus or otherwise by way of profit to any member of the charity. This does not prevent a member who is not also a trustee from receiving:
 - a. a benefit from the charity in the capacity of a beneficiary of the charity;
 - b. reasonable and proper remuneration for any goods or services supplied to the charity

18. Benefits and payments to charity trustees and connected persons

1. General provisions
No charity trustee or connected person may:

- a. buy or receive any goods or services from the charity on terms preferential to those applicable to members of the public;
- b. sell goods, services or any interest in land to the charity;
- c. be employed by, or receive any remuneration from, the charity;
- d. receive any other financial benefit from the charity;

unless the payment is permitted by sub-clause (2) of this clause, or authorised by the court or the Charity Commission ('the Commission'). In this clause, a 'financial benefit' means a benefit, direct or indirect, which is either money or has a monetary value

2. Scope and powers permitting trustees' or connected persons' benefits
 - a. A charity trustee or connected person may receive a benefit from the charity in the capacity of a beneficiary of the charity provided that a majority of the trustees do not benefit in this way without the minuted approval of the General Meeting on a case by case basis.
 - b. A charity trustee or connected person may take part in the normal trading and fundraising activities of the charity on the same terms as members of the public.

19. Powers of trustees

1. The trustees must manage the business of the charity and have the following powers in order to further the objects (but not for any other purpose):
 - a. to raise funds. In doing so, the trustees must not undertake any taxable permanent trading activity and must comply with any relevant statutory regulations;
 - b. to buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;
 - c. to sell, lease or otherwise dispose of all or any part of the property belonging to the charity. In exercising this power, the trustees must comply as appropriate with sections 117 - 122 of the Charities Act 2011;
 - d. to borrow money and to charge the whole or any part of the property belonging to the charity as security for repayment of the money borrowed. The trustees must comply as appropriate with sections 124 - 126 of the Charities Act 2011, if they intend to mortgage land;
 - e. to co-operate with other charities, voluntary bodies and statutory authorities and to exchange information and advice with them;
 - f. to establish or support any charitable trusts, associations or institutions formed for any of the charitable purposes included in the objects;
 - g. to acquire, merge with or enter into any partnership or joint venture arrangement with any other charity formed for any of the objects;
 - h. to set aside income as a reserve against future expenditure but only in accordance with a written policy about reserves;
 - i. to obtain and pay for such goods and services as are necessary for carrying out the work of the charity;
 - j. to open and operate such bank and other accounts as the trustees consider necessary and to invest funds and to delegate the management of funds in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000;
 - k. to do all such other lawful things as are necessary for the achievement of the objects.
2. No alteration of this constitution or any special resolution shall have retrospective effect to invalidate any prior act of the trustees.
3. Any meeting of trustees at which a quorum is present at the time the relevant decision is made may exercise all the powers exercisable by the trustees.
4. Use of powers in service of general meeting

- a. Trustees should ensure that the charity shall be managed and administered in accordance with the discerned decisions of the charity in general meeting (as outlined in section 12.1 above).
- b. In many cases trustees will exercise these powers in line with implicit or explicit strategic direction that arises out of the discerned minutes of the general meeting and the objects of the charity. It is not necessary for the general meeting to agree minor or trivial decisions where this is clearly aligned with a broader goal previously agreed by the general meeting or where it is clearly aligned with the legal interests of the charity as an association.
- c. If a matter arises which substantively affects the future of the charity or its financial viability, has significant expenditure or legal consequences, or seriously impacts the charity's ability to fulfil its objectives (see section 3), and the matter is the subject of controversy amongst members and/or no strategic direction has previously been provided by the General Meeting, then the trustees should seek a discerned direction from the wider membership, whether at a scheduled general meeting, or if necessary by calling a special general meeting. If the exigencies of the situation require the Trustees to take a substantive decision or action concerning such an issue swiftly, between general meetings, in order to preserve and protect the charity or its members, they should try to favour reversible decisions, or limit their actions to what is reasonably required to stabilise a situation until such a time as a general meeting can be convened, wherever this is possible and appropriate to the situation; though Trustees should never feel obliged by this or any other clause to deny themselves such resources (for example, legal advice) as are needed for them to meet the demands of the situation appropriately.

20. Disqualification and removal of trustees

A trustee shall cease to hold office if they:

1. are disqualified from acting as a trustee by virtue of sections 178 and 179 of the Charities Act 2011 (or any statutory re-enactment or modification of that provision);
2. cease to be a member of the charity;
3. in the written opinion, given to the charity, of a registered medical practitioner treating that person, have become physically or mentally incapable of acting as a trustee and may remain so for more than three months;
4. request release from their trustee role by notice to the charity, with such release to take effect upon the approval of a minute of the general meeting at the earliest opportunity (but only if at least two trustees will remain in office when the release is to take effect);
5. are released from the office of trustee by a minute of the general meeting in accordance with 13.7 of this constitution; or
6. are absent without the permission of the trustees from all their meetings held within a period of six consecutive months and the trustees resolve that their office be vacated.

21. Proceedings of trustees

1. The trustees may regulate their proceedings as they think fit, subject to the provisions of this constitution and the discerned decisions of the general meeting.
2. Any trustee may propose a meeting of the trustees by notifying all trustees of proposed time and place of the meeting, which may take place remotely by video or audio conference. A meeting so proposed may take place if a majority of trustees indicate their approval of the proposal.

3. At least 24 hours notice before any meeting must be given to all trustees. This notice period can be waived with the consent of all trustees.
4. Questions arising at a meeting must be decided according to the practices and principles of the Religious Society of Friends, and recorded in minutes as set out in section 14 of this constitution.
5. No decision may be made by a meeting of the trustees unless a quorum is present, remotely or in person, at the time the decision is purported to be made. The quorum shall be two or the number nearest to one-third of the total number of trustees, whichever is the greater or such larger number as may be decided from time to time by the trustees.
6. A trustee shall not be counted in the quorum present when any decision is made about a matter upon which that trustee has absented themselves due to a conflict of interest.
7. The Convenor of Trustees shall clerk meetings of the trustees. If the Convenor of Trustees is unwilling or unable to preside or is not present within ten minutes after the time appointed for the meeting, the trustees present may appoint one of their number to clerk that meeting.
8. A resolution in writing signed by all the trustees shall be as valid and effectual as if it had been approved at a meeting of the trustees duly convened and held.
9. The resolution in writing may comprise several documents containing the text of the resolution in like form each signed by one or more trustees.

22. Conflicts of interests and conflicts of loyalties

A trustee must:

1. declare the nature and extent of any interest, direct or indirect, which they have in a proposed transaction or arrangement with the charity or in any transaction or arrangement entered into by the charity which has not been previously declared; and
2. absent themselves from any discussions of the trustees in which it is possible that a conflict will arise between their duty to act solely in the interests of the charity and any personal interest (including but not limited to any personal financial interest). Any charity trustee absenting themselves from any discussions in accordance with this clause must not participate in discernment or be counted as part of the quorum in any decision of the trustees on the matter.

23. Delegation

1. The trustees may delegate any of their powers or functions to a committee of two or more trustees but the terms of any such delegation must be minuted by trustees.
2. The trustees may delegate any of their powers or functions to individuals appointed by the General Meeting or to a committee of two or more individuals appointed by the General Meeting, in accordance with terms of reference or role descriptions which have been approved by the General Meeting.
3. The trustees may revoke or alter a delegation where there is an exceptional reason to do so (such as, but not limited to, concerns about the conduct of a role holder, or the misuse of the powers in question) though delegation will ordinarily align with the roles agreed by General Meeting. Any such change must be minuted by trustees, and reported to the next General Meeting. The reasoning for any such change must be recorded in a minute of trustees which may be kept confidential if necessary.
4. The trustees and/or the charity in general meeting may impose conditions when delegating trustees' powers and functions, including the conditions that:
 - a. the relevant powers are to be exercised exclusively by the committee to whom they delegate;
 - b. no expenditure may be incurred on behalf of the charity except in accordance with a budget previously agreed with the trustees.
 - c. All acts and proceedings of any committees must be fully and promptly reported to the trustees.

Part 4 - Other

24. Saving provisions

1. Subject to sub-clause (2) of this clause, all decisions of the trustees shall be valid notwithstanding the participation in any discernment of a trustee:
 - a. who is disqualified from holding office;
 - b. who had previously been released from their trustee role or who had been obliged by this constitution to vacate office;
 - c. who was not entitled to participate in discernment on the matter, whether by reason of a conflict of interests or otherwise; if, without that trustee being counted in the quorum, the decision has been made by a trustees at a quorate meeting.
2. Sub-clause (1) of this clause does not permit a trustee to keep any benefit that may be conferred upon them by a resolution of the trustees if, but for sub-clause (1), the resolution would have been void, or if the trustee has not complied with clause 22 (Conflicts of interests and conflicts of loyalties).

25. Irregularities in proceedings

1. Subject to sub-clause (2) of this clause, all acts done by a meeting of Trustees, or of a committee of trustees, shall be valid notwithstanding the participation in any discernment of a trustee:
 - a. who was disqualified from holding office;
 - b. who had previously retired or who had been obliged by the constitution to vacate office;
 - c. who was not entitled to participate in discernment on the matter, whether by reason of a conflict of interests or otherwise;
if, without that trustee being counted in the quorum, the decision has been made in accordance with the principles and practices of the Religious Society of Friends at a quorate meeting.
2. Sub-clause (1) of this clause does not permit a trustee to keep any benefit that may be conferred upon them by a resolution of the trustees or of a committee of trustees if the resolution would otherwise have been void.
3. No resolution or act of
 - a. the trustees
 - b. any committee of the trustees
 - c. the charity in general meetingshall be invalidated by reason of the failure to give notice to any trustee or member or by reason of any procedural defect in the meeting unless it is shown that the failure or defect has materially prejudiced a member or the beneficiaries of the charity.

26. Registered particulars

The trustees must notify the Commission promptly of any changes to the charity's entry on the Central Register of Charities.

27. Property
